

Seton Wood Boilers

Warmth that doesn't cost the earth.

Manufactured in America by

Bethel Engineering & Equipment, Inc.

Certification Statement

Bethel Engineering & Equipment, Inc., 13830 McBeth Road, New Hampshire, Ohio 45870, certifies that the hydronic boilers listed below use the burning of wood to heat a dwelling unit or to heat hot water for use in such dwelling unit and have efficiency ratings of at least 75 percent as measured using a lower heating value. These hydronic boilers, therefore, constitute "qualified energy property" under the Energy improvement and Extension Act of 2008 which are eligible for tax credits under the American Recovery and Reinvestment Act of 2009.

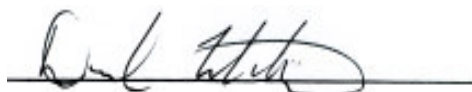

Seton W-90E Wood-Fired Boiler

Seton W-130E Wood-Fired Boiler

Seton W-180E Wood-Fired Boiler

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.

David D. Whitaker, President

This certificate should be retained with your tax records, but is not required to be submitted with your tax returns. **DISCLAIMER:** Bethel Engineering & Equipment, Inc. is not a tax advisor. Taxpayers claiming a tax credit should consult a tax professional with any questions. Bethel Engineering & Equipment, Inc. is not responsible or liable for the taxpayer's ability to receive tax credits.
